Veteran's Furniture Assistance Program is a volunteer outreach program that may provide a one-time delivery of **new furniture** to U.S. Armed Forces veterans who are in financial need and have been a resident of an in-house program with Veterans Affairs or other valid veteran agency.

If the required criteria are met and the veteran will be moving to their own housing, he or she may fill out an application for Veteran's Furniture Assistance where a determination will be made if he or she will qualify for our Veteran's Furniture Assistance Program.

All cases are reviewed individually and are based on merit.

Qualification guidelines for Veteran's Furniture Assistance:

- Title 38 of the Code of Federal Regulations defines a veteran as "a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable." This definition explains that any individual that completed a service for any branch of armed forces classifies as a veteran as long as they were not dishonorably discharged.
- Have been or are currently receiving in-house therapy/counseling through a valid veterans agency
- Must have been discharged under other than Dishonorable conditions (if Other Than Honorable, the cause will be reviewed for acceptability within this program.)
- Have NOT received financial assistance through the Veteran's Financial Assistance program
- Income and work history are also taken into consideration

**Veteran and/or their Case Worker must be able to supply the following for processing the application.
(Please do NOT supply pictures or screen-shots)**

IF FORM AND REQUIRED DOCUMENTATION IS NOT SUPPLIED, THE APPLICATION WILL NOT BE PROCESSED.

- DD-214 - must be fully readable, please block out your SSN (if unreadable, also submit VA discharge print-out)
- Documentation supporting in-house therapy through valid agency
- Most recent 2 months bank account statements; if no bank accounts then statements from Direct Express card or similar card
